*Blake C. Snyder Memorial Park

+Games might be added to this schedule

The schedule above gives players and parents an idea of the commitment involved in playing soccer for Green Park. It should be an exciting season. I welcome the participation of any fourth, fifth or sixth grade boy or girl who is interested. Included in your commitment to the team is to remain academically eligible, and your parents must sign up to help at one of Green Park's tournaments this year. **Students must have physicals and the Green Park Physical forms must be turned into the school office before the first practice/tryout on August 21. The Athletic Fee of \$60.00 will be billed to your through your school TADS account.**

If you have not started running, it is suggested that you start conditioning today. You need to run a lot in soccer.

There will be a mandatory Parent Meeting scheduled after the team has been determined and before the first game.

Mr. Angelo Ceko will be coaching the team this year. He has much experience playing and coaching soccer.

Any questions, email (david.rusert@greenparklutheralschool.org) or call me at (314) 544-4248 ext. 236. We are looking forward to a season of learning, playing, and having fun as a team!

David Rusert, Green Park teacher and Athletic Director
