

CHILD CARE PROGRAM

Child Care Philosophy

Child care services are a vital part of Green Park's school ministry. Green Park is privileged to be able to offer both Before and After School Child Care. We believe that a child's ability to be able to begin and end the day at the same school setting is important.

Staff

April Baese is the Child Care Director and a member of Peace Lutheran Church. She is also the mother of two children who currently attend GPLS. Mrs. Baese also works in the school cafeteria and is the PTO President.

Jeanette Hammon is a member of Christ Memorial Lutheran Church and is a mother of three children who currently attend GPLS. Mrs. Hammon also works in the school cafeteria.

Annette Heckenberg is a member of Peace Lutheran Church and mother of three children who graduated from GPLS. She also volunteers in the Sunday school department at Peace Lutheran Church.

Lois Puhmann is a member of Resurrection Lutheran Church and also works in the Parents Day Out program at the church.

As you can see this is a staff of ladies that has many connections to GPLS and is dedicated to the welfare of the children and the success of the school. The primary concern of a parent is the knowledge that your child is being cared for by responsible individuals that will continue to foster the special kind of Christian learning environment they receive from their teachers during the school day. The **After Care Program** is structured with a specific "Quiet Time," during which, the children are strongly encouraged to do their homework or read a book. The younger children spend this time working on art or being read to by a member of the staff. The parent's support of the program is essential. Working together, we can create a quality program with Christian principles for all students who wish to use the Child Care Program.
