

The GROW Program
Green Park Lutheran School

Winter 2012

Registration Form

Thank you for your interest in Green Park's GROW Program! We are excited to share these opportunities with your child. Please complete your registration below (you may register multiple children on this form). You will receive email confirmation of your child's registration status once the registration window has ended.

Registration is first come/first served. Please note that we limit the enrollment in each session to 10 students to provide high quality instruction with a low student: mentor ratio. Similarly, the GROW program requires a minimum of 6 students to register for each session in order for it to be held.

REGISTRATION FOR WINTER 2012 SESSIONS CLOSSES
Tuesday JANUARY 17 at 3:15 PM
