## Open House

Open House is coming up January 25th. We would love your help getting the word out about it. We have yard signs available for families which you can place in your yard or in your neighborhood the week before Open House. If you'd like a yard sign, please fill out [this one question Google form](#) to indicate your interest so we can account for a sign for each family participating.

Current families are welcome and encouraged to attend Open House! Come check out what your child's classroom currently looks like and what fun projects they've been working on. Visit next year's teachers to see what is in store for the future. Spread the word and invite a friend who doesn't already go to Green Park!
