Chalk it Up! Give STL Day 2026

Mark your calendars for Give STL Day on **May 7, 2026!** Give STL Day celebrates and supports nonprofits in St. Louis. We have a goal to raise \$6500 which will go toward the purchase of 30 padded Green Park branded folding chairs to enhance seating for community events, gatherings, and athletics.

When we reach our goal, we will once again celebrate with an all school color run!

The color run is on **May 7th at 2:00pm.**

This year, we again want to give students the opportunity to participate in the event as a runner. With parent permission, students may participate in the run, or be a chalk thrower. We also have a t-shirt opportunity to commemorate the event. This will be the same shirt design as last year. Please complete [this form](#) at your earliest convenience to help us best plan for the Chalk it Up run.
